Dear Parent,

The main purpose of the **Lady Royals Basketball Camp** is to give girls the opportunity to learn the fundamentals of basketball; developing their skills and having fun while learning. This is an excellent time to introduce girls to a sport they can enjoy the rest of their lifetime.

The **Lady Royals Basketball Camp** is a great place for girls who have no experience in basketball to begin with proper fundamentals taught by highly qualified basketball coaches and players.

The **Lady Royals Basketball Camp** will be structured according to the age level and ability level of the girls enrolled so those who show potential can be challenged to grow and develop. It is an excellent way for students to meet other basketball players of their age and ability.

The staff is very proud of the accomplishments of the past **Lady Royals Basketball Camp** and is very determined to continue Lady Royals Basketball as a program looking to build on the past successes.

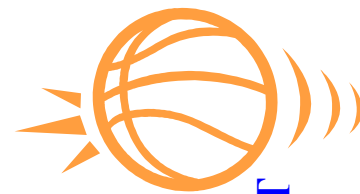

This year the **Lady Royal Basketball Camp** will accept registrations, not mailed in advance, on Monday, June 7th. The camp will be held Monday through Thursday ending June 10th. Girls may sign up and pay on or before June 7th.

The Lady Royal Basketball Camp will be conducted by the Lady Royal Coaches and Returning Players!

Join us this summer for **FUN** playing basketball by sending in an application today!
