

If you want to practice, other fields are open on a 1st come 1st serve basis.

I understand many of you showed up at Billericay to practice during the week, but noticed the fields were locked and closed. This does not mean we should jump the fence and practice anyways. Fishers police will be patrolling the park and parents will be cited for trespassing if they are a field that is clearly marked "CLOSED".

I understand 5/6 had issues with closures for their game last weekend at Billericay. This was my fault, and I apologize. I am revising a new schedule that will allow for games on fields 45 & 46 on Sunday. You will be receiving it soon.

Again, please do not practice on fields marked CLOSED.
